NOTE FOR: Chief, Management Division/OIT

SUBJECT: Assistance to [redacted]

Rich:

1. I received a call this afternoon from [redacted] an Agency employee on assignment as Special Assistant to the Secretary of Treasury for National Security. He has been asked by Treasury to take a look at their Office of Telecommunications positions with a view to upgrading and enhancing them. (Based on his discussion I think the Treasury positions resemble some of OIT's domestic communications officer positions.)

2. Would you be willing to help [redacted] He'd like to meet with OIT to look at a few representative telecommunications position descriptions. If there is a good match, he may ask your permission to sanitize and/or excerpt from them for his task at Treasury. Please call [redacted] if you are willing to set something up for him. Thanks.

Jim
